

The MoU is to support and accommodate the industry experts in academics to keep updated the needs of the industry to the upcoming generation regularly & on time. So the gap between Industry & Academia will be bridged.

Now, this agreement witness as follows:

01. The **HKE Society's Polytechnic** is an education institute conducting the technical programs as mentioned on the college website <https://bp.hkes.edu.in>
02. The **MEDINI** is a registered company for design services & the School of Design. Working for many of the Pvt. and government organisations on their designs. **MEDINI®** is also a Training, Certification & Academic partner of Autodesk, Bentley & Trimble SketchUp. And the **MEDINI** has also partnered with a PMI Global Registered Provider for Project Management.

03. The **MEDINI** will support the **HKE Society's Polytechnic** for bridging academia and industry by providing necessary software's of Autodesk & Bentley as the **MEDINI** is an Academic partner, which will support their students to accommodate themselves in the industry. All the details of software installations will be mailed by **MEDINI**, which can be used for any kind of accreditations or inspections such as LIC, NBA, COA etc.

The **HKE Society's Polytechnic, Kalaburagi** permits **MEDINI** to handle all the communication relating to the software's which is from the above-mentioned companies. Both the party assures that the software installed by **MEDINI** will be used only by them (**HKE Society's Polytechnic & MEDINI**). By any chance no other organisation is authorized to use the software's.

The **MEDINI** will also assure that, in any circumstances, any software's has to be purchased by the **HKE Society's Polytechnic**, (apart from the one provided by the **MEDINI**) the **MEDINI** will try to get it free by playing the role of mentor, if not at least at the best price. The **HKE Society's Polytechnic** will have complete freedom on purchasing.

04. Hereon both parties will be called as **Eduphygital Partner** (Education by Physical & Digital, a digital transformation in academics considering physical importance) with which **HKE Society's Polytechnic** permits **MEDINI** to conduct programs related to industry requirements.

Bridging Academia & Industry.

05. To keep the MoU active, minimum 3 programs has to be conducted every year, this will build strong relations with industry, keep up to date students on latest trends and technologies, align the industry standards and build the brand of the students with their skills. The programs will bridge the gap between industry and academia.

MEDINI assures the quality industry-oriented program & will play a role of mentor for all kind of programs related to digitalisation, internships and placement services.

Programs include Training Program on BIM for Infrastructure, BIM for Construction, BIM in Architecture, Digital Transformation in Construction Industry, digital transformation in manufacturing industry, Product Design, Analysis, Software training etc. To all the department using CAD/CAM/CAE.

Any commercial involved will be discussed mutually and will be taken forward.

06. **HKE Society's Polytechnic** assures that no commercial projects or activities will be done by them on the software provided by **MEDINI**.

07. Both the parties make sure that they will not approach or recruit any employees of respective organization.

08. **DURATION**- The duration of this Agreement shall be for the period of **4 years** from Aug 2021 to Aug 2025. If not renewed or amended after 4 years, in writing the same shall be considered as expired or terminated.

09. **MEDINI** will accommodate itself to formulate the curriculum, programs & evaluations, which will support the department for internships, placements & self-branding of the students.

All the programs planned will be concerning the need of the industry.

Benefits are mentioned in Annexure-I.

10. College can put a proposal for

11. **HKE Society's Polytechnic** will assign a Co-Ordinator for regular interaction and program functioning.

This has to be given by HoD on letterhead of each department.

Name:

Designation:

Contact Details: Phone No:

Email ID:

Any changes in this will be intimated in a letter or mail in future also.

12. Mr Pradeep Kallur, Managing Director, Medini, who is even a member of NEAT, AICTE for evaluation, will be the mentor and program head for the complete program at the **HKE Society's Polytechnic**.

The coordinator who will be called as **Academic Coordinator Head** will be:

Name: **Mr. Mohan Kumar K**

Designation: HR, Head Operations, INDIA

Contact Details: Phone No: **+91 9606781005**

Email ID: **mohan.k@medini.tech**

For all the internal communications Mr. Mohan will be coordinating with the departments.

13. Any alteration, addition or modification on this agreement shall be in writing and signed by both the parties.

Addressed to:

ANNEXURE I

Work with knowledgeable instructors in quiet classroom settings utilizing sample projects and exercises that emphasize real-world, practical applications

From MEDINI:

- ✓ College will be a part of all the activities conducted by Medini
- ✓ Students will have a consideration towards memberships with medina and other joint collaborations
- ✓ Authorized Academic Partners deliver quality professional training from Autodesk Certified Instructors and industry experts. to students, educators and customers.
- ✓ Regular updates of new technology in industry
- ✓ Involvement of lecturers in different kinds of activities which will improve their knowledge by meeting different industry people. (FDP, MEET etc)
- ✓ Get a copy of software with license
- ✓ Support for curriculum projects
- ✓ Support for internships
- ✓ Develop your skills with sample projects and exercises that emphasize real-world applications
- ✓ Choose a class at the most appropriate skill level to meet your needs
- ✓ Meet at a time convenient for you, or sign up for custom, on-site training
- ✓ Earn a valuable certificate of completion that's recognized in your profession
- ✓ Validate your product knowledge by getting Autodesk Certified when you take a certification exam at a participating ATC test delivery facility

Stand out with an Autodesk Certification

- ✓ Earn an industry-recognized credential that helps prove your skill level and can get you hired.
- ✓ Accelerate your professional development and help enhance your credibility and career success.
- ✓ Validate your skills and join an elite team of Autodesk Certified professionals.
- ✓ Display your Autodesk Certified certificate, use the Autodesk Certified logo, highlight your achievement and get noticed by listing your name in the Autodesk Certified Professionals database

Autodesk Academic Partner

Autodesk Academic Partners help your educational institution shape the future of design and engineering education with training and support tailored to your academic program.

Product support

Academic Partners use their knowledge of education and learning to help you select the right software tools for your needs, including hands-on support, which enables integration of the technology in to your curriculum.

Project-focused training

Academic Partners provide sample projects and coursework to help you validate your skills, boost career opportunities, and build your experience through a project-focused learning experience.

Professional and student development

Partners can help students and educators assess and validate their skills through industry-recognized certifications. We can help you build a pool of on-campus educator and student experts in design.

Bentley Institute Product Training Partner

Bentley Institute Product Training Partners are highly qualified to deliver learning opportunities on Bentley's solutions, for industry and academic users in their designated territory. Product Training Partners provide continuous learning opportunities for professionals, supporting career growth and adaptability to the changing needs of their organization and industry. Product Training Partners also help prepare students with the technology skills needed by industry, so they are better equipped for careers as the world's future infrastructure professionals.

Trimble SketchUp Training & Sales Partner.

Trimble is a leading provider of advanced location-based solutions that maximize productivity and enhance profitability. Trimble serves a variety of industries including agriculture, engineering and construction, transportation and wireless communications infrastructure. SketchUp is currently used by millions of users annually—ranging from architects to engineering and construction firms to building and design professionals—for designing, modeling and visualizing projects.

The course is designed with customized syllabus as per the industry. These courses, with a bucket of knowledge, will improve efficiency of the user.

**MEMORANDUM OF
UNDERSTANDING (MOU)**

BETWEEN

HKE Society's Polytechnic Kalaburagi

&

GOVT. TOOL ROOM & TRAINING CENTRE KALABURAGI.

MEMORANDUM OF UNDERSTANDING (MOU)

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the Sixth day of - September - Two Thousand Twenty One (08/10/2021).

BETWEEN

HKE Society's Polytechnic Kalaburagi represented herein by its Principal / Director / Head of Institution **Prof. Mallikarjun B babaleshwar M.Tech(CSE)**

AND

GOVT. TOOL ROOM & TRAINING CENTRE, KALABURAGI. The second party, and represented herein by its Centre Head / Director / Managing Director **SRI. JAIRAJ. T. NARGUND**

WHEREAS:

A) First Party is a Higher Educational Institution named: **HKE Society's Polytechnic Kalaburagi**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) **GOVT. TOOL ROOM & TRAINING CENTRE, KALABURAGI.**, - the Second Party is engaged in **Electronics & Communication, Computer Science, Tool & Die Making & CAD/CAM.**

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

PRINCIPAL,
HKE Society's Polytechnic
Kalaburagi - 585 101.

Memorandum of Understanding (MOU)

Between
HKES Group of Institutions
And
Bosch Rexroth India Ltd

HKES Group of Institutions (HKES) having their registered office at "Hyderabad Karnataka Education Society, Gulbarga - 585 102", and

Bosch Rexroth India Ltd (BRIN) having their registered office at "Near Vatva Railway station Vatva.Ahmedabad-384225 Gujarat"

Wish to enter into Memorandum of Understanding (MOU) in presence of DTE, Karnataka, for establishing,

"Regional centre of Competency in Automation Technologies"
at the campus of **PDA College of Engineering , Gulbarga.**

The concept of "Regional centre of competency for Automation technologies will be as follows,

1. The proposed Regional centre will be established as per the Bosch Rexroth (BR) Didactic concept, in technical and financial participation by Bosch Rexroth, covering the region of Gulbarga, Bidar and Raichur District as detailed in the confirmation letter sent. The primary objective is to bridge the technological gap and focus on the rural segment students.
2. Bosch Rexroth didactic concept is the efficient combination of Hardware, Teach wares and Course wares offered by BR for industry oriented training in the field of Automation Technology. This includes Hydraulics, Pneumatics, Mechatronics, electric Drives and controls. The scope of BR and HKES is mentioned in the commercial offer.
3. HKES group of institution with assistance of BRIN will establish and maintain the Regional centre, for conducting training courses, according to BR Didactic concept.

PRIN
H.K.E. Group of Institutions
GULBARGA-585102

4. Bosch Rexroth shall provide know how, technology support, supply didactic kits for different technologies with licensed copies of teach wares and course wares, train the faculty as Train the trainer (TTT) in our training centre in India and other locations as necessary, provide training methodologies in line with Didactic concept. The scheme is detailed in the Annexure 2
5. The Regional centre will impart training to undergraduate, post graduate, Polytechnic, vocational schools students to meet industry requirements, bridging the industry academic gap and enhancing the competency levels of students for better employability. The centre will also train faculty members of all near by engineering colleges in Region. The centre will also provide industrial training to near by industry personnel. Successful students will be awarded a joint certificate of Bosch Rexroth and the Regional centre.
6. For efficient running of the centre and to cover the recurring cost it is recommended to charge nominal fees for the courses and create a business model, BR will provide assistance in creating the model and training in the region approached by the near by industries.
7. Bosch Rexroth will have this agreement and the collaboration valid for the next 2 years from the date of signing of the MoU. The equipments supplied will have a warranty of 2 years.
8. The Next steps are detailed as below.
 - BRIN has submitted a detailed offer to Centre as per annexure 1.
 - Centre will issue formal PO with a confirmatory advance of 20% for the project execution by end April/Start of May 2010. The payment and supply conditions are as per the offer already sent.
 - Each centre will nominate 8 members 4 from Mechanical/automobile/Industrial production, 2 from Electronics and 2 Instrumentation areas for the faculty training in the Bosch Rexroth Centers.
 - Train the trainer for 1 member per region at Germany.
 - Designing layout for the centre and providing utilities for the centre.
 - Supply of equipment installation and commissioning
 - Designing courses for students to meet curriculum requirements
 - Organizing training for students through trained faculty

Mond

PRINCIPAL
H.K.E. Society's Polytechnic
